FRONTEND DEVELOPER KRZYSZTOF REPSCH

About me

I fell in love with the frontend world about three years ago! I have over a year of commercial experience, and every day I try to learn new things. Furthermore, I am searching for a firm that will provide me with opportunities to grow, learn new things, and most importantly, will guarantee that I could do what I love!

Technologies that I know:

Html Css Scss Styled Components Css Modules Javascript Typescript
React Next.js Storybook React Three Framer Motion

Stuff that I've worked with a little:

Php Redux GraphQL Gatsby.js Docker

Tools that I'm using everyday:

Figma Git Webpack Node nvm yarn npm

Experience

Junior Frontend Developer at Bracketspace / Department of Web - 1 year and 3 months

- Creating and implementing new features based on provided designs.
- Developing components, layouts and stories, as well as occasionally writing unit tests.
- Contributing to the creation of some commercial videos.
- Helping other junior team members.
- Troubleshooting and fixing bugs in existing projects.
- Creating some email templates.

Languages

Polish - native
